World of Water

In third world journey of life starts in “Water bag”. The almighty provides a soul to body with surety of getting living necessities in water bag itself and life long with the help of people living in world of Air i.e. second world.

World of Air

People grows living materials for self consumption and for the body developing in third world.

In second world mother provides food and drink through navel card to develop body in third world.

World of Ether

The first world provides rain, sun, gas etc. to let the people grow living materials and save life in both the worlds on earth planet.

The second world, where we live,
is an opportunity
to prepare ourselves for the first world.

“As you sow so you reap”

“**Qyamat ke din hoga hisab**”
dahine hath pe likhy kam se milage Jannat
aur bai hath pe likhy kam se milaga Dojhakh.”

A day is fixed for examination of our thought behind the works we did on earth planet.
Nothing can be hidden from the super power (Bhagwan, GOD, Allah)

The thought of serving other without temptation of getting benefits can only
empower us to enjoy MOKSHYA/SALVATION/SATVI JANNAT

Therefore, always work with a positive thought only.

Join Hands and Take Action

to experience secrets of universe through spiritual science.
